

Fabric Protector

Product Information

Pellé Fabric Protector provides an effective barrier and protection from spills, stains, dirt and grime for most household fabrics.

For use on furniture, bedding, flooring or any other fabric article. Suitable for use on acrylics, synthetics, cotton, wool, canvas, polypropylene and velvet (note: follow instructions on the bottle and test for colour fastness prior to use).

The effectiveness and colour fastness has been proven using international standards - tested by New Zealand Leather & Shoe Research Association (LASRA) who operate under ISO 9002 & ISO/EMC 17025.

This product contains HealthGuard™ a full anti-bacterial, anti-fungal and anti-microbial agent which provides protection against mould and bacterial contamination. HealthGuard™ also protects against Dust Mites, making Pellé Fabric Protector suitable for use where users have asthma or other respiratory disorders.

Feature Benefits

- Industry leading Fabric Protector (tested and approved by LAZRA)
- Suitable for use on a wide variety of fabrics
- Easy to apply
- No mess
- Non Toxic and Biodegradable
