

How to Use Guide

Pelle Wood Cleaner

Daily Care for Finished Timber Surfaces

Pellé Wood Cleaner is specially formulated to gently remove dust, fingerprints, everyday grime and surface contaminants from finished timber surfaces without the use of harsh chemicals. Suitable for furniture, cabinetry, shelving, benchtops and decorative timber pieces. Pellé Wood Cleaner is specially formulated to gently remove dust, fingerprints, everyday grime and surface contaminants from finished timber surfaces without the use of harsh chemicals. Suitable for furniture, cabinetry, shelving, benchtops and decorative timber pieces.

Before you begin

Always test in an inconspicuous area before full application.
Use only on sealed or finished indoor timber surfaces.
Do not use on raw, unfinished, oiled or outdoor timber.
For best results, clean the surface first using Pellé Wood Cleaner.
Always apply to a cloth, never directly onto timber.

Usage

Step 1: Ensure the Surface is Clean

The timber should be free from dust, dirt and residue before polishing.

Step 2: Apply Cleaner to Cloth

Place a small amount of Pellé Wood Cleaner onto a clean, soft cloth.

A little goes a long way.

Step 3: Apply Evenly

Wipe the surface using smooth, even strokes, following the direction of the timber grain where possible.

For larger pieces such as dining tables, sideboards or cabinetry, clean the entire surface rather than isolated sections to maintain a consistent finish.

Step 4: Allow to dry

Allow the cleaner to air dry for several minutes.

Step 5: Protect & Maintain

For optimum care and long-term protection, follow with Pellé Wood Polish once the surface is completely dry.

Ongoing Care Tips

Reapply periodically to maintain protection and appearance.

Increase application frequency on high-use surfaces such as dining tables and cabinetry.

Avoid placing hot items directly onto timber surfaces.

Wipe spills promptly to help preserve the finish.

Recommended Care System

1. Clean with Pellé Wood Cleaner

2. Protect with Pellé Wood Polish

Used regularly, Pellé Wood Polish helps maintain the richness, character and beauty of finished timber furniture and interior wood surfaces.

Pellé products are thoughtfully developed and tested for use on a wide range of household surfaces. As materials and finishes can vary, we recommend testing on an inconspicuous area before full application. Always follow product directions carefully. Pellé accepts no responsibility for damage caused by misuse, incorrect application, or use outside recommended surfaces and guidelines.
